

No additional leave is possible:

to attend activities of associations
during holidays outside the established school holidays (for example in the case of special offers in the off season)
to visit family outside the established school vacations
to meet (great) grandparents for the first time or after a long time
for a child to stay at home since other family children are home
because the child has to take care of parent (s) / grandparent (s) or other family members
with as argument "our child is still young so he / she can miss school"
with as argument "just before the holiday no lesson is given anyway"
with as argument "we did not know there was Compulsory Education"
with as argument "a family member from abroad is on vacation in Aruba"
with as argument "a family member gave us a ticket / boat trip as a present"
with as argument "we have won a ticket / boat trip"
with as argument "we bought a ticket a year ago "
with as argument "we have to settle personal affairs abroad and our child (ren) must go along"
with as argument "we do not have a babysitter for our child (ren) '
